

# Approved Working Group Structure

- **Four CJC Appointees**
  - Subject matter experts to help guide and facilitate
  - One from each constituency
- **One Seat filled by each constituent Assembly**
  - Keeps the working group small and nimble
  - Allows for direct involvement of Constituent Assemblies
- **Unlimited, open community membership**
  - Avoids individual appointees “holding seats” and not being engaged.
  - Aims to allow for maximum community input and engagement
